

## VI. General

### Section 13 – Complaint Process

---

#### 13.1 The Process

The Liquor Board Superannuation Commission (the Commission) is committed to making timely decisions in an open and consultative manner, in accordance with the principles of procedural fairness and natural justice, to ensure fair and equitable treatment of Liquor Board Superannuation Plan (the Plan) members.

The Complaint Process provides the parties to a dispute with an opportunity to have their respective points of view considered by the Commission before the matter in dispute is decided.

The parties to a dispute may be any combination of the following:

- a member of the Liquor Board Superannuation Plan;
- the Saskatchewan Liquor and Gaming Authority (as the participating employer in the Plan); and
- the Plan's administration.

The Commission's authority to resolve disputes is derived from *The Liquor Board Superannuation Plan Act*, which states as follows:

***Application of Act***

*"50 Where a question arises as to the application of this Act to any employee, it shall be determined by the [C]ommission."*

The Commission has determined that the following process must be followed in order for a matter to come before the Commission for a decision:

1. A complaint is to be filed in writing, by the party or parties in dispute, with the Public Employees Benefits Agency (PEBA) as the provider of Executive Secretary Services to the Commission.
2. PEBA will promptly inform the Commission that a complaint has been filed, affording the Commission the ability to respond appropriately, and in keeping with the Commission's Code of Conduct and Conflict of Interest Procedures (Section 11 of this Governance Manual) to any inquiries on the matter they may receive. PEBA will provide the Commission with the names of the parties in dispute, but will not provide any further information with respect to the dispute.

3. PEBA will research the complaint and prepare a report containing full details of the matter in dispute, a copy of which will be provided to each party having an interest in the matter together with a request for submissions with respect to the matter in dispute.
4. PEBA will review the submissions from the parties. The review is to determine whether additional issues have been raised or additional parties have been identified which may require additional submissions in order for the Commission to have before it everything it needs to make an informed decision.
5. PEBA will provide a copy of the submissions from each party to the other parties for their review and comment.
6. PEBA will review the responses from the parties. The review is to determine whether additional issues have been raised or additional parties have been identified which may require additional submissions in order for the Commission to have before it everything it needs to make an informed decision.
7. A party to the dispute may request to make a presentation in person to the Commission when it meets to hear the matter. A party cannot request a presentation in person in lieu of a written submission. The request must state in writing the reason for the request and provide submissions as to why the written materials would not be sufficient for the Commission to make a decision on the dispute. PEBA will inform all parties with an interest in the matter of a party's request to appear in person before the Commission and provide the parties with an opportunity to:
  - i. make submissions with respect to the request; and
  - ii. notify the Commission whether, if the request is granted, they wish to also make a presentation in person to the Commission.
8. PEBA will place a request pursuant to Paragraph 7 together with his or her report and all submissions, responses and documentation relating to the matter in dispute on the agenda for the next available meeting of the Commission. If the Commission decides to grant the request, the Commission will either:
  - i. schedule a hearing of the matter for the next available Commission meeting; or

- ii. if the Commission decides not to grant the request, the Commission will proceed to make a decision with respect to the dispute based on the written materials submitted by the party or parties.
9. Where the Commission grants a request pursuant to Paragraph 7, the Chair shall determine the procedure for making the presentations and may:
  - i. permit further documents to be filed at the hearing;
  - ii. permit the parties to ask questions of the party making a presentation; or
  - iii. adjourn the hearing to permit a party to respond to any document or information that had not been disclosed in the written submissions.
10. In the absence of a request pursuant to Paragraph 7, PEBA will place the report and all submissions, responses and documentation relating to the matter in dispute before the next available meeting of the Commission, which will make a decision based upon the materials submitted by the party or parties.
11. The Commission will render its decision in writing, stating:
  - i. the decision; and
  - ii. the reasons for the decision.

The decision by the Commission is final and will be communicated in writing to all the parties involved in the dispute.

12. The Commission may review a decision, should the party or parties in dispute provide new information which was not available at the time of the initial decision, where the Commission considers it appropriate and no other party is prejudiced by the review.

## **13.2 Commission's Point of Reference**

The Commission will make its decision based upon its interpretation of *The Liquor Board Superannuation Act*, *The Superannuation (Supplementary Provisions) Act*, the associated Regulations, and may consider established policy practices and previous decisions that it considers relevant.
