for Out-of-Scope Employees of Saskatchewan Polytechnic

**Pre-Authorization**

Where a course of dental treatment is expected to cost more than \$500, an estimate must be filed with the plan administrator. Failure to do so could result in a lower reimbursement than expected. The insurance carrier will identify the total costs eligible for reimbursement under the PEDP for the proposed dental treatment.

Any procedure involving the use of gold will not be covered by the PEDP unless authorization is obtained in advance.

**Plan Limitations**

Only the services outlined in the list of covered codes will be eligible for reimbursement. No payment will be made for:

- (a) Extra charges by the dentist for completion of claim forms or for broken appointments;
- (b) Cosmetic treatment, experimental treatment or dietary planning;
- (c) Congenital or developmental malformation;
- (d) Expenses for dentures which have been lost, mislaid or stolen; or
- (e) Temporomandibular Joint benefits.

The PEDP will not accept responsibility for claim payment in cases where coverage exists through any other legislation, government or group sponsored, medical or dental program, the Workers' Compensation Board and/or Saskatchewan Government Insurance.

Procedure codes involving the use of gold will be covered if no other substitute is deemed suitable. Where gold is elective, only the cost of a customary substitute will be considered for reimbursement.

Replacement of crowns, bridges or dentures will be covered if the existing appliance is at least five years old and (1) cannot be made serviceable, or (2) replacement becomes necessary due to the removal of additional natural teeth while insured.

The Administrator is authorized to establish liability under the plan based on the least expensive benefit if it will produce a professionally adequate result.

**Co-ordination of Benefits**

Where coverage exists from several sources for similar benefits, no more than 100% of the eligible dental expenses on the Public Employees Dental Plan Maximum Reimbursement Schedule will be reimbursed from all sources. Given a \$1,000 dental expense, co-ordination of benefits is as follows:

Example	First Plan (i.e., Spouse's Plan)	PEDP Maximum Payment Per Schedule	PEDP Maximum second payor
A	\$800	\$700	\$0
B	\$700	\$700	\$0
C	\$600	\$700	\$100

Eligible employees should submit their dental claims first to the PEDP and second to their spouse's dental plan. Spouses of eligible employees should submit their dental claims to their employer's dental plan first and second to the PEDP. Claims for dependent children are first submitted to the dental plan of the parent who has the first birthdate in the calendar year.
